

Summer Sports Camp

Goal

Sport is an amazing way to cultivate physical health, promote unity and develop transferable life skills. This summer, we're partnering with GOALS to fund a sports summer camp for 70 boys and girls.

Project background & description

GOALS (Girls of Armenia Leadership in Sports) is organizing a summer camp in the Shirak region outside of the town of Artik in the Arevshat village! The camp will take place the week of July 3 to 7. This year, lacrosse will be introduced during morning sessions, along with basketball, football and tennis.

The sports summer camp hosted by GOALS will be a unique and exciting experience for boys and girls aged 11-17. The camp will focus on more than just sports; it will also emphasize education and purposeful play. The goal is to intertwine learning and fun through games, promoting positive values such as teamwork, leadership, respect, and gender equality.

The camp will be co-ed, allowing boys and girls to interact and learn from each other. It will provide a safe and inclusive environment where participants can develop their athletic abilities, learn new skills, and have fun. By the end of the camp, participants will gain a new understanding and appreciation of different perspectives, while also improving their physical and mental health.

Are you game? Let's go for it!
